Student get some educational tour
Plzz don't play with children future when I take admission seats were almost full I was medical students before still they give me shit subjects like public ad and philosophy and ruined my future totally I can't give tgt exm pgt exm bcs of my subject combination doesn't match at all and previously I don't know about it and it's was the duties of the teachers to reach about sub combo but no one teaches students they just was there of there salary ☐
I request to all teachers due to your ego issues and judgement please don't fall the moral of the students.
Nothing from my side
No suggestions .
Including more topics in syllabus that are more competitively relevant
Placement oriented activities should be done
The institute is good for studies and for its student friendly environment and one thing which I want to mention is that the physics and chemistry labs can be improved . Although labs are good but need some improvement.
More presentation should be performed in the class .
Everything is fine but need technology-cal development...
Improvement in infrastructure
College must have to listen students problem. Students can't interact with teachers fully.....
Everything is good in this college but in my opening we need to improve its infrastructure
