IQAC MEETING

A meeting of IQAC was held today to discuss the feedback obtained from the stakeholders in the session 2020-21 by the members of Component I (AQAR). The feedback and suggestions given by the students, teachers and alumni were analyzed in details and a thorough discussion was held to build a plan of action to cope up with their requirements. The follow up actions to be taken, as per the decision of the members of IQAC are summed up below as the important minutes of the meeting:

- All the teachers would be directed to make maximum use of technological tools provided and purchase of new digital teaching devices to be undertaken so as to equip teachers as well as the students with latest technology along with the internet facility.
- As suggested by our students to focus more on the practical studies, all the concerned departments which deal with instrumentation and experimentation would be directed to organize workshops/training sessions and do the needful.
- Remedial classes in the subject of English would be conducted so as to help our students build good communication skills as per the suggestions from parents and students.
- As suggested by the alumni of our college, special free coaching classes would be conducted by the Career Counseling & Guidance Cell of the institution, to help our students for the preparation of Competitive Examinations.
- Career counseling sessions to be conducted to make our students well-informed about the career scope in the related subjects, as suggested by the students and alumni in their feedback for the session 2020-21.

Proceedings of the Meeting of IQAC2nd Sept.2021

The Agenda of the meeting was twofold:

First to make proposals for the session 2021-22 and

Secondly to complete the task of compilation of AQAR which was hampered due to Covid-19 Pandemic.

Following **Proposals** were made in the meeting for the session 2021-22:

1. To prepare and submit proposal to Govt. for the introduction of B.P.Ed. Courses.
2. To create e- content for students.
3. Construction of Parking in the College premises.
4. To undertake Skill Development cum Employment based Course, specifically a 30 hours Certificate Course related to Apple plantation, raising and marketing.
5. To promote and exhibit local cultural traditions through mass participation of the students so that acceptance of the local cultural traditions among the youth can be encouraged.

Besides these Proposals, following **Resolutions** were also made:

1. To work efficiently with all SOP's in place and upload AQAR 2020-21 by 30th Nov 2021.
2. To work on SSR and complete its compilation by February 2022. Though given the disruptions caused due to Covid-19 pandemic situation, a request may be submitted to NAAC for extension of six months for the submission of SSR/ visit of NAAC Peer Team.

The meeting ended with a vote of thanks to the Chair.

IQAC MEETING

A review meeting was held today in order to make an overall assessment of the actions taken in response to the recommendations of IQAC, communicated to all the faculty members and concerned officials during the commencement of the session 2021-22. These recommendations were made by IQAC after analyzing the stakeholders' feedback obtained for the session 2020-21. Reports of the appropriate actions taken up by the institution and the faculty members were appraised. The important minutes of the meeting are as follows:

- Purchase of new digital teaching device, D-Link Networking cable (305 meter), 4 computers and a laptop was also done in the session 2021-22.
- A two-days national workshop on Instrumentation and Chemistry Practicals was organized (on 22nd-23rd Nov'21) by the Department of Chemistry (by inviting the resource person from GGSDS College, Chandigarh) so as to provide a hands-on instrument training to our students.
- Remedial classes in the subject of English were also conducted so as to help our students build good communication skills as per the suggestions from parents and students.
- As suggested by the alumni of our college, special free coaching classes were conducted by the Career Counseling & Guidance Cell of the institution, to help our students for the preparation of Competitive Examinations.
- A Career Counseling Webinar for science stream was also conducted by the Department of Chemistry on 28.05.22, (by inviting RPs from GGSDS College and a Career Counseling Professional, Chandigarh) to make our students well-informed about the career scope in the related subjects, as suggested by the students and alumni in their feedback for the session 2020-21.
